LEXINGTON, Ky., Oct. 12.—The two stake races on the card today, the unfinished 2:30 trotting race of yesterday, and two purse races attracted an unusually large crowd to the track. The Lexington stake, worth \$200, for 2-year-olds, trotting, went to Jack Axworthy in two straight heats. Bon Voyage, the favorite in the race on the strength of his winning the 2-year-old division of the future, was formally transferred to W. A. Clark, Jr., of Butte, Mont., just before the race was called. Charles Marvin sold Bon Voyage to Clark the day he won the future for \$10,000. He apparently had each of the heats today won until the very finish. Brownie Wilton, a prohibitive favorite, won the 2:30 class trotting in three straight heats. Morone, whose ownership was today transferred from C. R. Voorhees of Jerseyville, Ill., to W. A. Clark, Jr., took third money. Results:

Unfinished 2:30 trot, purse \$100; two in three—John Taylor won the first and fourth heats at 2:32.5, 2:30.5, Robert McAdams won the third heat in 2:33.5. Marion Wilkes won the second heat in 2:14.5. Lisabero, Ida Higwood, Judge Green, Jim Perry, Newton A. and Tuna also started.

The West stake, 2:29 class trotting, purse \$200, three in five—John Caldwell won three straight heats in 2:13.5, 2:12.5, 2:11.5. Jesse O. Corbett, Redwood and Direct Well also started.

The Lexington for 2-year-olds, trotting, purse \$200, two in three—Jack Axworthy won two straight heats in 2:15.5, 2:16.5. Bon Voyage, Bertha Bennett, Elmford and Fuzzy Lam also started.

2:30 class pacing, purse \$150, two in three—Sphinx S won two straight heats in 2:08.5, 2:08.5. Mike second, Bird, Chanda and Noname also started.

2:30 class trotting, purse \$100, three in five—Brownie Wilton won three straight heats in 2:15.5, 2:15.5, 2:15.5. Ozone, Morone, Victor J and Betty Ford also started.

Auction at Sheriff's
Office.

Auction Is Founded Upon Loans of
\$30,000 Made to the Club
This Year.

PHILADELPHIA, Oct. 12.—To satisfy judgment notes aggregating \$30,000, the Philadelphia National baseball league will be sold at Sheriff's sale. Action has been brought by Arthur E. Newbold as trustee for the stockholders, and announcement of the public sale will be made by the Sheriff within a few days.

President Potter of the club said today that the action of Mr. Newbold is founded upon certain loans made by him and others to the club in November, 1903, and during the spring of the present year. The loans amounted to about \$30,000.

As the stock of the company is fully paid, no assessments could be levied, and the club, being insolvent, the club could not repay its loans. Additional loans will be necessary to continue next season, Mr. Potter said, and many of the stockholders insisted upon Mr. Newbold proceeding against the company by action.

University Preps Defeat High School
by a Score of 5 to 0.

By a score of 5 to 0 the university Preps defeated the East Side High school in a closely contested football game played on Cumming's field yesterday afternoon. The drizzling rain of the previous night had fairly converted the field into a duck pond and made good, fast playing well nigh impossible. Despite this fact, there were comparatively few fumbles.

Both teams played a hucking game. The Preps had slightly the stronger line, but the High school boys were plucky and plunged against it repeatedly for the necessary gains. They were quick in forming their plays, and once under way were hard to stop because of the slippery condition of the ground. In this the Preps were handicapped by their lack of practice, but their strong defense and good backs enabled them to finally rip up the High school line for long gains. Which resulted in a touchdown. Hyde at half, Benilton at end and Capt. Riser were the star Prep players and the victory is largely due to their strong play. Bassette and Kidder did exceptionally good playing for the High school, both on offensive and defensive. The teams lined up as follows:

High school University Preps:
Linebacker L. E. Anderson
Trasader L. T. Young
Wise L. G. Finney-Bennion
Vine G. B. Peterson
Home R. G. Burton
Hammond R. T. G. Hyde
Bassette R. E. Earl
Kidder G. B. Jensen
Kearns R. H. Hansen
Morgan L. H. H. Hyde
Morgan F. R. Riser

LOGAN WAS SHOCKED.

High School Football Team Charged
With Very Unbecoming Conduct.

Mild effervescence, such as marks the etiquette of the Salt Lake High school boys, is not appreciated in Logan, to judge from the rebuke administered by the Logan Republican after the recent football game. To quote:

"Of all the boisterous, rowdy, almost criminal display of youngsters ever permitted to escape from their paternal homes, that bunch from the Salt Lake high school which came to Logan last Saturday is about the worst that ever happened. From the time the boys arrived at the Lincoln hotel it was absolutely impossible to think, eat or sleep in peace or quietude. At their meals each boy in the bunch talked louder than Eric Pypier did at the show Monday night. All talked, whistled and sang in the same breath. Their first night was an up-and-down affair, but nothing compared with the second. Saturday night the boys were up all night—they upset the furniture of the rooms they occupied, tore the sheets and pillow cases, took the sheets apart, scattered cheese, crackers and raisins all over the floors, removed bed clothing from rooms they didn't occupy, played cards until 3 o'clock, chased up and down the stairway, scuffled, ripped and snorted until day-break. Mrs. Hanks, the proprietor, requested the boys to be fairly decent and they finally quieted down. No other bunch of football or baseball boys ever acted that way in Logan. The Oregon boys, who were here all Saturday before, were a gentlemanly bunch through and through and caused no disturbance. Other gangs have stopped at the same hotel and have been all that could be expected. The Salt Lake youngsters probably felt that they had struck a country town and were out for time. Their mothers should spank them until their noses bled and then give them a Mrs. Caudle lecture on 'Behavior When Abroad.'

FOOTBALL FEVER CONTAGIOUS.

Grade Schools Organize to Compete
for Championship Cup.

Football in its wildest and wildest form will hold high carnival in Salt Lake this season. In at least eight of the grade schools eleven will be organized and the fight for the championship will be as earnest as though the fate of nations hung in the balance. To add to the enthusiasm Rowe & Kelly, the clothing merchants, have offered an engraved silver cup standing nine inches high on an ebony pedestal, as a permanent trophy for the champion school. The cup is valued at \$50.

The captains and managers of the various teams in the Public School league will meet at 3 o'clock tomorrow afternoon in the assembly-room of the Lafayette school to draw up rules and regulations for the league and to arrange for a schedule of games.

PORTLAND, Or., Oct. 12.—At a conference between members of the Portland Kennel club and President Goode of the Lewis and Clark exposition it was decided yesterday to give the greatest dog show ever held in the West during the opening month of the Lewis and Clark exposition. William Goldman and E. F. With, directors of the club, submitted an estimate that 150 dogs at least can be placed on show, and that one famous kennel is already assured—the one owned by J. Pierpont Morgan.
